

Safety Guidelines for MeadowBrook's On-Campus Option for Worship

In the prudence of Christ, MeadowBrook is seeking to add an on-campus option practicing the following nine precautionary practices to ensure the safest environment possible for attendees.

1. **Practice Social Distancing:** We have removed many seats from our Worship Center and have spread them apart so that families might remain at least 6 ft. apart from others. We are asking to leave two seats in between each family unit.

Additionally, attendees should love from a distance and practice touchless greeting (refrain from handshakes or hugs).

2. **Modified Worship Service:** We're continuing in our 45-minute condensed service and will modify the way we worship the Lord in song and sermon to decrease the aerosol effect in the room.

3. **High-Risk Individuals:** All individuals that fall within the high-risk groups as defined by the CDC are encouraged to stay at home and worship online.

4. **Family Worship:** We encourage families to worship together as we are unable to offer nursery, children's services, and on-campus Life Groups at this time. There will be special seating for families near exits and in a temporary streaming area in the Dining Hall.

5. **Masks:** Masks are not required for attendees, but are encouraged. We anticipate many of our ministry teams to wear masks. We will be giving away a limited supply of KN95 masks with a suggested donation of \$4 per mask.

6. **Hand Sanitizing Stations:** Hand sanitizing stations are located at both entrances to our Worship Center and throughout our space.

7. **Sanitation Teams:** Between each service, all touched surfaces (ex. door handles, seating, etc.) will be sanitized and all handouts replaced by lay ministry teams. Please bring your own pen.

Additionally, we will run the gym vents between services to ensure that fresh air is in both services.

8. **Gifts and Offering:** The offering plate will not be passed among attendees at MeadowBrook. Members should make plans to give to the general offering and the building fund at "giving boxes" located at both entrances or online at mbchurch.com/giving

9. **Thermometers:** Attendees are encouraged to check their temperature at home before attending, but we will offer touchless thermometer stations for those who want to check their temperature before entering. All staff, greeters, and lay ministers will have their temperature checked.

MeadowBrook
CHURCH

8:00 AM - Worship*
9:30 AM - Life Group via Zoom
10:45 AM - Worship*

*As we return to our normal schedule, we are thrilled to offer two Worship options both on-campus and online on YouTube, Facebook, and mbchurch.live.
